December 30, 2015

FOR IMMEDIATE RELEASE

Holiday Tree Recycling

DRIPPING SPRINGS, TEXAS – When the holidays are over, don't put your Christmas tree out with the trash... let's reuse it!

Dripping Springs area residents can easily recycle their holiday trees with the City of Dripping Springs. Just drop your tree off at the trailer in the east side of the parking lot at City Hall, located at 511 Mercer Street in downtown Dripping Springs.

Be sure to remove all lights, wire, tinsel, decorations and stands that are not part of the original tree. Please load your tree into the trailer.
