

Utility Providers' Consent Form

The purpose of a License to encroach is 1. To determine the potential impacts of proposed encroachments into a City Property, right-of-way, or easement, and 2. To execute a license agreement between the encroaching property owner and the City of Dripping Springs regarding the improvements to be constructed in the City property, right-of-way, or easement. When proposing to encroach into a public utility easement or right-of-way, any additional utility companies who are entitled to use the easement or right-of-way must be notified and consent to the encroachment. A list of the utility companies and each representative is included in this form for your convenience as well as a signature blocks for their approvals. All applicable signature blocks must be completed by the respective utility companies prior to submittal of the License to Encroach application. A separate form Is required for each property.

Utility Provider Contact Information:

Utility providers change their staff responsible for reviewing requests and may not service the area in which your property is located. Therefore, if you are unaware of the contact information for the appropriate utility providers in your area please reach out to the Dripping Springs Planning Department.
